INDEPENDENT AUDITOR'S REPORT

To the Board of Commissioners Passaic Housing Authority:

Report on the Financial Statements

We have audited the accompanying financial statements of the Passaic Housing Authority ("the Authority") as of and for the years ended December 31, 2012 and 2011, and the related notes to the financial statements, which collectively comprise the Authority's basic financial statements as listed in the accompanying table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America. This includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

INDEPENDENT AUDITOR'S REPORT (continued)

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Passaic Housing Authority as of December 31, 2012 and 2011, and the respective changes in financial position and cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audits of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information

Our audits were conducted for the purpose of forming opinions on the financial statements that collectively comprise the Passaic Housing Authority's basic financial statements. The schedule of expenditures of federal awards, as required by Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations is presented for purposes of additional analysis and is not a required part of the basic financial statements. The accompanying financial data schedule and schedule of capital fund program costs and advances are also not required parts of the financial statements and are presented for the purposes of additional analysis as required by the U.S. Department of Housing and Urban Development.

The schedule of expenditures of federal awards, financial data schedule and schedule of capital fund program costs and advances are the responsibility of management and were derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audits of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards, financial data schedule and schedule of capital fund program costs and advances are fairly stated, in all material respects, in relation to the basic financial statements as a whole.

INDEPENDENT AUDITOR'S REPORT (continued)

Other Reporting Required by Government Auditing Standards

In accordance with Government Auditing Standards, we have also issued our report dated July 3, 2013 on our consideration of the Passaic Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering Passaic Housing Authority's internal control over financial reporting and compliance.

MANAGEMENT'S DISCUSSION AND ANALYSIS

As Management of the Authority, we offer readers of the Authority's financial statements this narrative overview and analysis of the financial activities of the Authority for the fiscal year ended December 31, 2012. We encourage readers to consider the information presented here in conjunction with the Authority's financial statements as presented elsewhere in this Report.

A- Financial Highlights

- 1 The assets of the Authority exceeded its liabilities at the close of the most recent fiscal year by \$19,268,718 (net position) as opposed to \$19,537,840 for the prior fiscal year.
- 2 As of the close of the current fiscal year, the Authority's Proprietary Fund reported ending Unrestricted Net Position of \$5,085,513.
- 3 The Authority's cash and cash equivalent and investment balance at December 31, 2012 was \$7,632,872 representing an increase of \$746,371 from the prior fiscal year.
- 4 The Authority had Total Operating Revenues of \$23,337,276 and Total Operating Expenses of \$24,219,222 including \$1,313,385 for depreciation for the year ended December 31, 2012.
- 5 The Authority's capital outlays for the fiscal year were \$614,240 of which \$589,220 was funded from the Authority's Capital Fund Program.
- 6 The Authority's Expenditures of Federal Awards amounted to \$20,944,274 for the fiscal year.

B – Using the Annual Report

1 - Management's Discussion and Analysis

The Management's Discussion and Analysis is intended to serve as an introduction to the Authority's financial statements. The Authority's Financial Statements and Notes to Financial Statements included in the this Report were prepared in accordance with GAAP applicable to governmental entities in the United States of America for Proprietary Fund types.

2 - Financial Statements

The financial statements are designed to provide readers with a broad overview of the Authority's finances, in a manner similar to a private-sector business. They consist of Comparative Statements of the Net Position, Comparative Statements of Revenues, Expenses and Changes in Net Position and Comparative Statements of Cash Flows.

B - Using the Annual Report (continued)

2 - Financial Statements (continued

The Comparative Statements of Net Position presents information on all the Authority's assets and liabilities, with the difference between the two reported as net position. Increases or decreases in net position will serve as a useful indicator of whether the financial position of the Authority is improving or deteriorating.

The Comparative Statements of Revenues, Expenses and Changes in Net Position present information showing how the Authority's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of unrelated cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g.; depreciation and earned but unused vacation leave).

The financial statements report on the Authority's activities. The activities are primarily supported by HUD subsidies and grants. The Authority's function is to provide decent, safe and sanitary housing to low income and special needs populations. The financial statements can be found on pages 13 through 16.

3 - Notes to Financial Statements

The Notes to Financial Statements provide additional information that is essential to a full understanding of the data provided in the financial statements. The Notes to Financial Statements can be found in this Report after the financial statements.

4 – Supplemental Information

The Schedule of Expenditures of Federal Awards is presented for purpose of additional analysis as required by U.S. Office of Management and Budget Circular A-133, Audits of States, Local Governments, and Non-profit Organizations. The schedule of expenditures of Federal awards can be found on page 36 of this report.

C – The Authority as a Whole

The Authority's Net Position decreased during the fiscal year by \$269,122. The Authority's revenues consist primarily of rents and subsidies and grants received from HUD. The Authority receives subsidies each month based on a pre-approved amount by HUD. Grants are drawn down based on need against a pre-authorized funding level. During the current fiscal year, HUD required the Authority to utilize \$488,234 of restricted reserves for HAP expenses.

C – The Authority as a Whole (Continued)

By far, the largest portion of the Authority's net position reflects its investment in capital assets (e.g., land, buildings, equipment and construction in progress). The Authority uses these capital assets to provide housing and services for its' tenants, consequently, they are not available for future spending. The unrestricted net position of the Authority is available for future use to provide program services.

D - Budgetary Highlights

For the year ended December, 2012, individual program or grant budgets were prepared by the Authority and were approved by the Board of Commissioners. The budgets were primarily used as a management tool and have no legal stature. The budgets were prepared in accordance with the accounting procedures prescribed by the applicable funding agency.

The Following Charts illustrate the Authority's financial activity on the previous page.

E. Summary of Programs Administered

<u>Conventional Public Housing</u> — Under the Conventional Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Public Housing Program is operated under an Annual Contributions Contract (ACC) with HUD, and HUD provides Operating Subsidy and Capital Grant funding to enable the PHA to provide the housing at a rent that is based upon 30% of the adjusted household income. The Conventional Public Housing Program also includes the Capital Fund Program, which is the primary funding source for physical and management improvements to the Authority's properties.

<u>Housing Choice Voucher Program</u> – Under the Housing Choice Voucher Program, the Authority administers contracts with independent landlords that own the property. The Authority subsidizes the family's rent through a Housing Assistance Payment made to the landlord. The program is administered under and Annual Contributions Contract (ACC) with HUD. HUD provides Annual Contributions Funding to enable the Authority to structure a lease that sets the participants' rent at 30% of the adjusted household income.

F – Summary of Significant Changes from Fiscal Year December 31, 2012:

- Cash and cash equivalents (including restricted cash) increased \$746,371 primarily as a result of the Authority generating \$716,811 from operating activities.
- Accounts Receivable Miscellaneous decreased primarily due to insurance claims submitted for damages related to Hurricane Irene during August 2011 that were received in 2012.
- Restricted cash decreased \$536,689 as HUD required the Authority to utilize \$488,234 of previously restricted reserves to pay housing assistance payments to landlords.
- Accounts Payable Other Government increased because of reduction in utilities expenses associated with the calculation of P.I.L.O.T. which increased the amount paid to the City of Passaic.
- The Authority's operating grants increased \$358,092. The following accounts showed significant variances:
 - 1. Low Rent Public Housing Operating subsidies increased \$196,351
 - 2. Housing Choice Voucher Subsides increased \$22,364
 - 3. Capital Fund Operating grants increased \$93,481
 - 4. ROSS grants increased \$45,896

F – Summary of Significant Changes from December 31, 2011 to 2012 (continued):

- Other revenues increased \$125,376 primarily due to the Authority recognizing \$68,379 in revenues from insurance proceeds from damages sustained from Hurricane Irene.
- The decrease in utility costs can be attributed to several key factors. Among those factors are the installation of water efficient toilets in all the units, procurement of gas and electric directly from the suppliers and the reclassification of certain labor costs to maintenance labor.
- The increase in maintenance costs of \$388,850 is primarily attributable to an increase in maintenance labor and employee benefits expenses of \$143,060 and an increase in contract costs of \$176,911.
- The Authority's HAP payments increased \$387,697 from 2011 to 2012 primarily due to the Authority leasing an additional 126 unit months and increasing the payment standards for participating landlords.

G – Capital Assets and Debt Administration

1 – Capital Assets

As of December 31, 2012, the Authority's investment in capital assets for its Proprietary Fund was \$13,013,241 (net of accumulated depreciation). This investment in capital assets includes land, buildings, equipment and construction in progress.

Additional informational on the Authority's capital assets can be found in Note 6 to the Financial Statements which is included in this Report.

2 - Long Term Debt

As of December 31, 2012, the Authority has no interest bearing long-term debt. However, as discussed in note 13 of the financial statements, the Authority has entered into a repayment agreement with HUD. The original amount of that agreement is \$590,042.

Beginning in 2007, the Authority is to repay HUD in the amount of \$19,668 per annum through 2036. The amount is interest free and unsecured. As of December 31, 2012, \$472,034 remains payable.

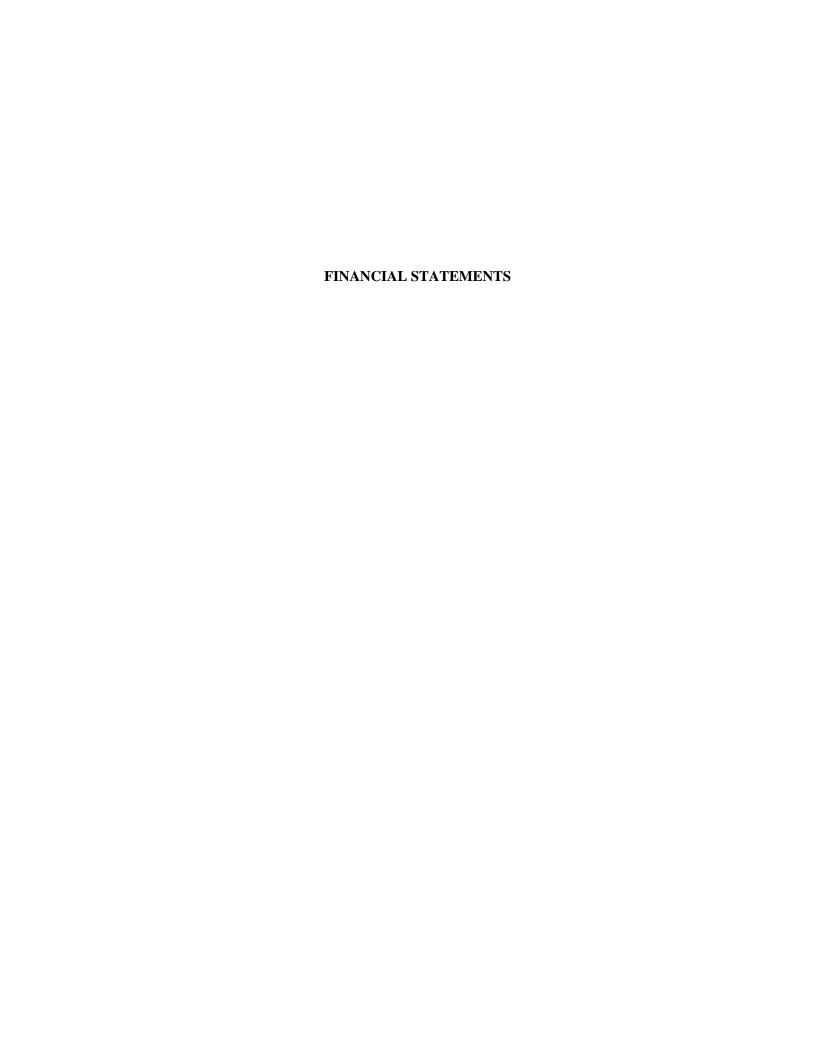

H – Economic Factors and Next Year's Budgets and Rates

The following factors were considered in preparing the Authority's budget for the fiscal year ending December 31, 2013.

- 1 The state of the economy, particularly in light of current world affairs.
- 2 The possible cut-back on HUD subsidies and grants by Congress.

I – Contacting the Authority's Financial Management

The financial report is designed to provide a general overview of the Authority's finances for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to Vincent Wynter, Director of Finance and Operations, Housing Authority of the City of Passaic, 52 Aspen Place, Passaic, NJ 07055

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

A. Organization

The Passaic Housing Authority ("the Authority") is a governmental, public corporation created under federal and state housing laws as defined by State statute (N.J.S.A. 4A: 12A-1, et. Seq., the "Housing Authority Act") for the purpose of engaging in the development, acquisition and administrative activities of the low-income housing program and other programs with similar objectives for low and moderate income families residing in the City of Passaic. The Authority is responsible for operating certain low-rent housing programs administered by the U.S. Department of Housing and Urban Development ("HUD"). These programs provide housing for eligible families under the United States Housing Act of 1937, as amended.

The Authority is governed by a board of commissioners which is essentially autonomous but is responsible to HUD and the State of New Jersey Department of Community Affairs. An executive director is appointed by the Housing Authority's Board to manage the day-to-day operations of the Authority.

B. Description of Programs

The Authority maintains its accounting records by program. A summary of the significant programs operated by the Authority is as follows:

Low Rent Public Housing Program

The public housing program is designed to provide low-cost housing. Under this program, HUD provides funding via an annual contributions contract. These funds, combined with the rental income received from tenants, are available solely to meet the operating expenses of the program.

Housing Assistance Payments Program - Section 8

The Authority administers a program of rental assistance payments to private owners on behalf of eligible low-income families under Section 8 of the Housing and Urban Development Act of 1974. The program provides payments covering the difference between the maximum rental on a dwelling unit, as approved by HUD, and the amount of rent contribution by a participating family.

Public Housing Capital Fund Program

The purpose of the Capital Fund Program is to provide another source of funding to cover the cost of physical and management improvements and rehabilitation on existing low-income housing and improving the central office facilities. Funding for this program is provided by grants from HUD.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

B. Description of Programs (continued)

Resident Opportunity and Supportive Services Program

The purpose of the Resident Opportunities and Self Sufficiency (ROSS) grant program is to provide funds for job training and supportive services to help residents of public housing transition from welfare to work. ROSS also provides funding to link elderly/disabled residents to critical services which can help them continue to live independently.

C. Reporting Entity

In accordance with statement No. 39 Government Accounting Standards Board ("GASB"), the Authority's financial statements include those of the Passaic Housing Authority and any component units. Component units are legally separate, tax-exempt organizations that meet all of the following criteria:

- 1. The economic resources received by the separate organization are almost entirely for the direct benefit of the Authority.
- 2. The Authority has the ability to access a majority of the economic resources held by the separate organization.
- 3. The economic resources referred to in No. 2 are significant to the Authority.

Based on the application of the above criteria, this report includes all programs and activities operated by the Authority. There were no additional entities required to be included in the reporting entity under these criteria in the current fiscal year. Furthermore, the Authority is not included in any other reporting entity on the basis of such criteria.

D. Basis of Accounting

The Authority's financial statements are prepared in accordance with GASB Statement No. 34, *Basic Financial Statements and Management's Discussion and Analysis for State and Local Governments* ("GASB 34"), as amended. GASB 34 requires the basic financial statements to be prepared using the economic resources measurement focus and the accrual basis of accounting and requires the presentation of a Statement of Net Position, a Statement of Revenues, Expenses and Changes in Net Position and Statement of Cash Flows. GASB 34 also requires the Authority to include Managements' Discussion and Analysis as part of the Required Supplemental Information.

The Authority's primary source of non-exchange revenue relates to grants and subsidies. In accordance with GASB Statement No. 33, *Accounting and Financial Reporting for Non-exchange Transactions*, grant and subsidy revenue are recognized at the time eligible program expenditures occur and/or the Authority has complied with the grant and subsidy requirements.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

D. Basis of Accounting (continued)

In accordance with GASB Statement No. 20, Accounting and Financial Reporting for Proprietary Funds and Other Governmental Activities that Use Proprietary Fund Accounting, the Authority has elected to apply all Financial Accounting Standards Board pronouncements, Accounting Principles Board Opinions, and Accounting Research Bulletins issued that do not conflict with or contradict GASB Pronouncements.

On January 30, 2008, HUD issued *PIH Notice 2008-9*, which among other things, clarifies HUD's reporting position that unused housing assistance payments ("HAP"), under proprietary fund reporting, should be reported as restricted net position with the associated cash and investments also being reported as restricted. Any unused administrative fees should be reported as unrestricted net position, with the associated assets being reported as unrestricted.

In accordance with GASB Statement No. 9, Reporting Cash Flows of Proprietary and Nonexpendable Trust Funds and Governmental Entities that Use Proprietary Fund Accounting, the aforementioned funds are treated as restricted cash and cash equivalents on the Authority's Statements of Net Position and Cash Flows

Both administrative fee and HAP revenues continue to be recognized under the guidelines set forth in GASB Statement No. 33. Accordingly, both the time and purpose restrictions, as defined by GASB 33, are met when these funds are available and measurable, not when these funds are expended. The Housing Choice Voucher program is no longer a cost reimbursement grant, therefore the Authority recognizes unspent administrative fee and HAP revenue in the reporting period as revenue for financial statement reporting.

Any investment income earned on these funds are reflected in the net position account on which the investment income was earned. That is; investment income earned on HAP cash balances are credited to the HAP restricted net position account and investment income earned on administrative fee cash balances are credited to the unrestricted net position account.

E. Cash and cash equivalents

New Jersey Authorities are required by N.J.S.A. 40A:5-14 to deposit public funds in a bank or trust company having its place of business in the State of New Jersey and organized under the laws of the United States, or the State of New Jersey, or the New Jersey Cash Management Fund. N.J.S.A. 40A:5-15.1 provides a list of securities which may be purchased by New Jersey Authorities. The Authority is required to deposit funds in public depositories protected from loss under the provisions of the Governmental Unit Deposit Protection Act ("GUDPA"). GUDPA was enacted in 1970 to protect governmental units from a loss of funds on deposit with a failed banking institution in New Jersey.

N.J.S.A. 17:9-42 requires governmental units to deposit public funds only in public depositories located in New Jersey, when the funds are secured in accordance with the act.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

E. Cash and cash equivalents (continued)

HUD requires housing authorities to invest excess funds in obligations of the United States, Certificates of Deposit, or any other federally insured investment.

HUD also requires that deposits be fully collateralized at all times. Acceptable collateralization includes FDIC insurance and the market value of securities purchased and pledged to the political subdivision. Pursuant to HUD restrictions, obligations of the United States are allowed as security for deposits. Obligations furnished as security must be held by the Authority or with an unaffiliated bank or trust company for the account of the Authority

It is the Authority's policy to maintain collateralization in accordance with state and HUD requirements.

F. Accounts Receivable - tenants, net

Rents are due from tenants on the first day of each month. As a result, accounts receivable balances primarily consist of rents past due and vacated tenants. An allowance for doubtful accounts is established to provide for all accounts, which may not be collected in the future for any reason. Collection losses on accounts receivable are charged against the allowance for doubtful accounts.

The Authority recognizes a receivable from HUD and other governmental agencies for amounts billed but not received and for amounts unbilled, but earned as of year-end.

G. Prepaid Expenses

Prepaid expenses represent amounts paid as of year-end that will benefit future operations.

H. Inventory

Inventory, consisting mainly of materials and supplies, is valued at its lower of cost or market using the first-in first-out cost method.

I. Capital Assets, net

Capital assets are stated at cost. Expenditures for repairs and maintenance are charged directly to expense as they are incurred. Expenditures determined to represent additions or betterments are capitalized. Upon the sale or retirement of capital assets, the cost and related accumulated depreciation is eliminated from the accounts and any related gain or loss is reflected in the Statement of Revenues, Expenses and Changes in Net Position.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

I. Capital Assets, net (continued)

Depreciation is calculated using the straight-line method based on the estimated useful lives of the following asset groups:

•	Buildings	40 Years
•	Leasehold Improvements	15 Years
•	Furniture and Equipment	5 Years
•	Computers	3 Years

The Authority has established a capitalization threshold of \$2,000.

J. Compensated Absences

Compensated absences represent amounts to which employees are entitled to based on accumulated leave earned in accordance with the Authority's Personnel Policy. Employees may be compensated for accumulated vacation leave in the event of retirement or termination from service at the current salary. Employees may be compensated for sick leave at retirement or termination at the current salary to a maximum of \$15,000.

K. Prepaid Rent

The Authority's prepaid rent primarily consists of the prepayment of rent by residents.

L. Grants advanced

The Authority's grants advanced primarily consists of receipts of HUD and other governmental program funding applicable to future periods

M. Inter-program Receivables and Payables

Inter-program receivables/payables are current, and are the result of the use of the Public Housing Program as the common paymaster for shared costs of the Authority. Cash settlements are made periodically, and all inter-program balances net zero. In accordance with GASB Statement No. 34, interprogram receivables and payables are eliminated for financial statement purposes.

N. Taxes

The Authority is a unit of local government and is exempt from real estate, sales and income taxes.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

O. Operating Revenues and Expenses

The Authority defines its operating revenues as income derived from charges to residents and others for services provided, as well as government subsidies and grants used for operating purposes. Operating expenses are costs incurred in the operation of its program activities to provide services to residents and others. The Authority classifies all other revenues as non-operating.

P. Use of Management Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Significant estimates include the allowance for doubtful accounts, accrued expenses and other liabilities, depreciable lives of properties and equipment, and contingencies. Actual results could differ significantly from these estimates.

Q. Equity Classifications

Equity is classified as net position and displayed in three components:

<u>Net investment in capital assets</u> - Consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction or improvement of those assets.

<u>Restricted net position</u> - Consists of net position with constraints placed on the use either by (1) external groups such as creditors, grantors, contributors, laws or regulations of other governments; or (2) law through constitutional provisions or enabling legislation.

<u>Unrestricted net position</u> - All other net position that do not meet the definition of "restricted" or "net investment in capital assets."

R. Economic Dependency

The Section 8 and Low Rent Housing programs of the Authority are economically dependent on operating grants and subsidies from HUD. The programs operate at a loss prior to receiving the grants.

NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

S. Budgets and Budgetary Accounting

The Authority is required by contractual agreements to adopt annual, appropriated operating budgets for all its programs receiving federal expenditure awards. All budgets are prepared on a HUD basis, which is materially consistent with accounting principles generally accepted in the United States of America.

All appropriations lapse at HUD's program year end or at the end of grant periods.

T. Impairment of Long Lived Assets

The Authority evaluates events or changes in circumstances affecting long-lived assets to determine whether an impairment of its assets has occurred. If the Authority determines that a capital asset is impaired, and that impairment is significant and other-than-temporary, then an impairment loss will be recorded in the Authority's financial statements.

NOTE 2. CASH AND CASH EQUIVALENTS

At December 31, 2012 and 2011, the Authority had funds on deposit in checking and money market accounts.

For the fiscal years ended December 31, 2012 and 2011, the carrying amount of the Authority's cash (including restricted cash) was \$7,632,872 and \$6,886,501 and the bank balances were \$7,821,288 and \$7,245,497, respectively.

Of the bank balances, \$259,401 and \$500,000 were covered by federal depository insurance and the remaining \$7,561,887 and \$6,745,497 were collateralized with the pledging financial institution for the fiscal years ended December 31, 2012 and 2011, respectively.

Cash Account	<u>2012</u>	<u>2011</u>
Insured: FDIC Collateralized:	\$ 259,401	\$ 500,000
Governmental Unit Depository Protection Act	7,561,887	6,745,497
	\$ <u>7,821,288</u>	\$ <u>7,245,497</u>

Custodial credit risk is the risk that, in the event of a bank failure, the government's deposits may not be returned to it. The Authority does not have a formal policy for custodial credit risk. As of December 31, 2012 and 2011, the Authority's bank balances were not exposed to custodial credit risk.

NOTE 3. ACCOUNTS RECEIVABLE

A. Accounts receivable - tenants, net

Accounts receivable - tenants, net are shown net of an allowance for doubtful accounts of \$34,041 and 34,901 as of December 31, 2012 and 2011, respectively.

B. Accounts receivable - miscellaneous

Accounts receivable - miscellaneous consisted of amounts due from the Public Housing Authorities Joint Insurance Fund for insurance claims as a result of damages caused by Hurricane Irene in 2011, portable tenants in the Housing Choice Voucher program and unreimbursed expenditures from various grant programs. The amounts are shown net of an allowance for doubtful accounts of \$40,050 as of December 31, 2012 and 2011, respectively

NOTE 4. PREPAID EXPENSES

The Authority contributed funds to Housing Authority Risk Retention Group at inception. Amounts are held as prepaid insurance expenses as balances will be used to supplement insurance as needed. For the years ended December 31, 2012 and 2011 prepaid insurance expense totaled \$185,518 and \$184,388, respectively.

NOTE 5. RESTRICTED CASH

Restricted cash consists of the following at December 31, 2012 and 2011:

<u>Cash Category</u>	<u>2012</u>	<u>2011</u>
Housing Assistance Payments reserves Family Self Sufficiency program escrows	\$ 1,169,964 -	\$ 1,658,198 48,455
	\$ <u>1,169,964</u>	\$ <u>1,706,653</u>

Housing assistance payment reserves are restricted for use only in the Housing Choice Voucher Program for tenant rents.

Family Self Sufficiency ("FSS") program escrows are restricted for use in the Housing Choice Voucher and Low Rent Public Housing Programs by FSS program participants.

NOTE 6. CAPITAL ASSETS, NET

A summary of the changes in capital assets during the year ended December 31, 2012 were as follows:

NOTE 8. PAYMENTS IN LIEU OF TAXES

Under Federal, State and local law, the Authority's programs are exempt from income, property and excise taxes. However, the Authority is required to make a payment in lieu of taxes (PILOT) for the PHA owned program in accordance with the provisions of its Cooperation Agreement with the Township. Under the Cooperation Agreement, the Authority must pay the Township the lesser of 10% of its net shelter rent or the approximate full real property taxes. During the fiscal years ended December 31, 2012 and 2011, PILOT expense amounted to \$130,820 and \$103,280, respectively.

NOTE 9. OTHER NON-CURRENT LIABILITIES

NOTE 10. PENSION PLAN

Description of Plans – All required employees of the Authority are covered by the Public Employees' Retirement System which has been established by state statute and is administered by the New Jersey Division of Pension and Benefits (Division). According to the State of New Jersey Administrative Code, all obligations of the System will be assumed by the State of New Jersey should the System terminate. The Division issues a publicly available financial report that includes the financial statements and required supplementary information for the Public Employees Retirement System. This report may be obtained by writing to the Division of Pensions and Benefits, PO Box 295, Trenton, New Jersey, 08625.

Public Employees' Retirement System (PERS) – The Public Employees' Retirement System (PERS) was established as of January 1, 1955 under the provisions of N.J.S.A. 43:15A to provide retirement, death, disability and medical benefits to certain qualified members. The Public Employees' Retirement System is a cost-sharing multiple-employer plan. Membership is mandatory for substantially all full-time employees of the State of New Jersey or any county, municipality, school district, or public agency, provided the employee is not required to be a member of another state-administered retirement system or other state or local jurisdiction.

Vesting and Benefit Provisions – The vesting and benefit provisions for PERS are set by N.J.S.A. 43:15A and 43:3B. All benefits vest after ten years of service, except for medical benefits that vest after 25 years of service. Retirement benefits for age and service are available at age 60 and are generally determined to be 1/55 of the final average salary for each year of service credit, as defined. Final average salary equals the average salary for the final three years of service prior to retirement (or highest three years' compensation if other than the final three years). Members may seek early retirement after achieving 25 years of service credit or they may elect deferred retirement after achieving eight to ten years of service in which case benefits would begin the first day of the month after the member attains normal retirement age. Members are always fully vested for their own contributions and, after three years of service credit, become vested for 2% of related interest earned on the contributions. In the case of death before retirement, members' beneficiaries are entitled to full interest credited to the members' accounts.

Contribution Requirements – The contribution policy is set by N.J.S.A. 43:15A, Chapter 62, P.L. of 1994, Chapter 115, P.L. of 1997 and N.J.S.A. 18:66, and requires contributions by active members and contributing employers. Plan member and employer contributions may be amended by State of New Jersey legislation. PERS provides for employee contributions of 6.64% of employees' annual compensation (as of July 1, 2012), as defined. Employers are required to contribute at an actuarially determined rate for the PERS.

NOTE 10. PENSION PLAN (continued)

The actuarially determined contribution includes funding for cost-of-living adjustments, noncontributory death benefits, and post-retirement medical premiums.

Three Year Trend Information for PERS

NOTE 11. POST-RETIREMENT BENEFITS

The Authority participates in New Jersey State Health Benefits Program ("the SHBP"), which qualifies as a cost-sharing, multiple-employer plan in accordance with GASB Statement 45 "Accounting and Financial Reporting by Employers for Post-employment Benefits Other Than Pensions" ("OPEB"). The SHBP is administered by the State of New Jersey, Department of Treasury, Division of Pension and Benefits.

Under the SHBP, retirees may continue the health benefits programs in which they are enrolled at the time of retirement, provided the retiree pays the costs of the benefits (at group rates) for themselves and their eligible dependents.

A retiree may also receive Authority-paid health benefits in accordance with labor agreements if they have twenty-five (25) or more years enrolled in the pension system.

The State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, issues publicly available financial reports that include the financial statements and required supplementary information of the SHBP. The financial reports may be obtained by writing to the State of New Jersey, Department of the Treasury, Division of Pensions and Benefits, P.O. Box 295, Trenton, New Jersey 08625-0295.

The SHBP is established under the authority of N.J.S.A. 52:14-17.25 et seq. and regulations adopted by the State Health Benefits Commission. The required contribution rate is determined on an annual pay as you go basis. The following were the required contributions:

<u>Year</u>	:	<u>Amount</u>
2012	\$	207,744
2011	\$	213,438
2010	\$	170,574

NOTE 12. RESTRICTED NET POSITION

As of December 31, 2012 and 2011, restricted net position consisted of the following:

2012 2011

Housing assistance payments

\$ 1,169,964 **\$** 1,658,198

Housing assistance payment reserves are restricted for rent payments to landlords as part of the Housing Choice Voucher Program

NOTE 13. HUD OFFICE OF INSPECTOR GENERAL AUDIT

In 2006, HUD's Office of Inspector General ("OIG") concluded an audit of the Authority's operations. Results of the audit, which impacted the financial statements of the Authority, are as follows:

- The OIG found that the Authority made an ineligible transfer of funds in the amount of \$1,000,000 from the Section 8 Program to the Low Rent Public Housing Program in fiscal year 2002. Accordingly, the 2005 financial statements and supplemental information reflect a \$1,000,000 equity transfer from the Low Rent Public Housing Program to the Section 8 Program in order to repay Section 8 program funds.
- As a result of finding #1 above and according to Section 8 Program regulations, \$590,042 was not available for recapture by HUD. Therefore OIG has determined that this amount is owed back to HUD. The Authority has committed to repay HUD \$19,668 per annum, through 2036 from the Housing Choice Voucher Program. As of December 31, 2012 and 2011, \$472,034 and \$491,702 remains payable, of which \$452,366 and \$472,034 is considered long-term as of 2012 and 2011.
- The OIG also found that in fiscal year 2005, the Authority made an ineligible transfer of Capital Funds to the Section 8 Program. As a result, \$401,046 is owed back to the Capital Fund Program from the Section 8 Program. The Authority has agreed to charge \$13,368 per annum through 2036, to the Housing Choice Voucher Program for protective services. Protective service expenses are normally funded by the capital fund program. Included in protective services expense in 2012 and 2011 is \$13,368 for this transaction.

NOTE 14. CONTINGENCIES

The Authority receives financial assistance from HUD in the form of grants and subsidies. Entitlement to the funds is generally conditional upon compliance with terms and conditions of the grant agreements and applicable regulations, including the expenditure of the funds for eligible purposes. Substantially all grants, entitlements and cost reimbursements are subject to financial and compliance audits by HUD. As a result of these audits, costs previously reimbursed could be disallowed and require payments to HUD. As of December 31, 2012 and 2011, the Authority estimates that no material liabilities will result from such audits.

NOTE 15. RISK MANAGEMENT

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets: error and omission, injuries to employees; and natural disaster. The Authority is a member of the New Jersey Public Housing Authorities Joint Insurance Fund (JIF). The joint insurance pool is both an insured and self-administered group of housing authorities established for the purpose of insuring against property damage, general liability, motor vehicles and equipment liability and workmen's compensation. The Joint Insurance Fund will be self-sustaining through member premiums. There have been no significant reductions in insurance coverage. Settlement amounts have not exceeded insurance coverage except for deductibles for the previous three years.

The authority has also purchased flood insurance with the Selective Insurance Company for certain properties included in flood zones.

NOTE 16. SUBSEQUENT EVENTS

Events that occur after the financial statement date but before the financial statements were available to be issued must be evaluated for recognition or disclosure. The effects of subsequent events that provide evidence about conditions that existed at the financial statement date are recognized in the accompanying financial statements. Subsequent events which provide evidence about conditions that existed after the financial statement date require disclosure in the accompanying notes to the financial statements. Management evaluated the activity of the Authority through July 3, 2013 (the date the financial statements were available to be issued) and concluded that no subsequent events have occurred that would require recognition in the financial statements or disclosure in the notes to the financial statements

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Commissioners Passaic Housing Authority:

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States and audit requirements as prescribed by the Division of Local Government Services, Department of Community Affairs, State of New Jersey, the financial statements of the Passaic Housing Authority ("the Authority") as of and for the year ended December 31, 2012, and the related notes to the financial statements, which collectively comprise Passaic Housing Authority's basic financial statements, and have issued our report thereon dated July 3, 2013.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Passaic Housing Authority's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Passaic Housing Authority's internal control. Accordingly, we do not express an opinion on the effectiveness of Passaic Housing Authority's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS (continued)

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Passaic Housing Authority's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under Government Auditing Standards.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Commissioners Passaic Housing Authority:

Report on Compliance for Each Major Federal Program

We have audited the Passaic Housing Authority compliance with the types of compliance requirements described in the OMB Circular A-133 Compliance Supplement that could have a direct and material effect—on each of Passaic Housing Authority's major federal programs for the year ended December 31, 2012. Passaic Housing Authority's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Passaic Housing Authority's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in Government Auditing Standards, issued by the Comptroller General of the United States; and OMB Circular A-133, Audits of States, Local Governments, and Non-Profit Organizations. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Passaic Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Passaic Housing Authority's compliance.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 (continued)

Opinion on Each Major Federal Program

In our opinion, Passaic Housing Authority complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended December 31, 2012.

Report on Internal Control Over Compliance

Management of Passaic Housing Authority is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Passaic Housing Authority's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Passaic Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of OMB Circular A-133. Accordingly, this report is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE WITH REQUIREMENTS APPLICABLE TO EACH MAJOR PROGRAM AND INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133 (continued)

Report on Schedule of Expenditures of Federal Awards Required by OMB Circular A-133

We have audited the financial statements of Passaic Housing Authority as of and for the year ended December 31, 2012, and have issued our report thereon dated July 3, 2013, which contained an unmodified opinion on those financial statements. Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by OMB Circular A-133 and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditure of federal awards is fairly stated in all material respects in relation to the financial statements as a whole.

PASSAIC HOUSING AUTHORITY NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS FOR THE YEAR ENDED DECEMBER 31, 2012

NOTE 1. BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards includes the federal grant activity of Passaic Housing Authority under programs of the federal government for the year ended December 31, 2012. The information in this schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Because the schedule presents only a selected portion of operations of the Passaic Housing Authority, it is not intended to and does not present the financial position, changes in net assets or cash flows of the Passaic Housing Authority.

NOTE 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the principles contained in OMB Circular A-87, Cost Principles for State, Local and Indian Tribes, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

NOTE 3. SUBRECIPIENTS

The Authority was not a subrecipient of any federal awards and did not pass-through any federal awards to subrecipients.

NOTE 4. NON-CASH FEDERAL ASSISTANCE

The Authority did not receive any non-cash Federal assistance for the year ended December 31, 2012.
